- I will attend the team retreat on July 16.
- I will pray for the team and for those we will serve.
- If I am called to serve in the Keys, I will focus on spreading the love of God and the needs of others, not on my own needs.
- I understand that if enough money is not raised to fully subsidize our expenses, I may be asked to pay the balance.
- I am an adult. However I understand that as a participant on this trip I must follow team guidelines.
- I am a minor and have the full support of my parents to participate in this mission trip, the team preparation, and fundraising.
